

Degree Audit

Grays Harbor College students have access to a degree audit that shows which of the credits needed for graduation they have completed and which they still need to complete. To access the system, you will need your student ID and your global pin number. If you do not know your global pin number, you can obtain it from the Admissions and Records Office by showing a photo ID.

The audit is accessed through the Records menu on the GHC home page. Once you have entered the system, simply select your degree from the drop-down menu and click Run Audit.

If you would like help interpreting the degree audit, see your advisor or a counselor.
