

Graduation Preparation

Apply for a degree

If you are nearing graduation you need to submit an application for degree to the Admissions and Records Office. This starts the process of evaluating your transcript for degree completion. You'll need to submit a separate application for each certificate or degree you plan to earn.

Ideally, you should complete this application during registration for your final quarter. It must be submitted no later than the start of your final quarter.

Applications for degree are available online at http://www.ghc.edu/counseling/degree_app.pdf

or in paper form outside the Counseling and Advising Center.

Prepare to take part in the graduation ceremony

If you complete your degree requirements in any quarter may march in the graduation ceremony in June of that academic year. To take part in the ceremony, notify the Office of Student Services no later than mid-term in spring quarter to arrange for a cap and gown and sign up for guest tickets to the ceremony.
