

Withdrawing

How do I withdraw from the College?

To withdraw, contact the Counseling and Advising Center for an exit interview with a counselor. If needed, these can be conducted by phone by calling 360-538-4099. If you follow this procedure, you will receive a W grade, which does not affect your grade point average, in all of your classes.

If you leave the College without following these steps, you will receive a V grade (vanished) in your classes. This grades counts as an F grade in your grade point average.

Repercussions to withdrawing

If you are on financial aid, withdrawing will cause your aid to be suspended. You also may owe money back to the College. There is an appeal process for trying to get your aid reinstated. Contact the financial Aid Office at 360-538-4081 for more information.
