

Occupational Entrepreneurship Program Outcomes

Occupational Entrepreneurship

After successfully completing the Occupational Entrepreneurship requirements, students will:

1. Perform basic bookkeeping functions.
2. Have working knowledge of current legal, ethical, social, financial, and economic environmental factors as they apply to business.
3. Have a working knowledge of computers and software packages necessary for basic business communication and analysis.
4. Given a business problem, select and defend a business solution chosen from specific alternatives.
5. Complete the requirements for a Certificate of Completion in Automotive Technology, Carpentry Technology, Commercial Truck Driving, Diesel Technology, or Welding Technology.
6. Recognize and avoid or resolve potentially hazardous situations related to the workplace.
7. Demonstrate appropriate workplace behaviors.
