

Quarterly Registration Process

1. Talk with your High School Counselor about credits you need to graduate. The high schools have forms and the forms are located outside the RS Advisor's door in the counseling center Bld. 100. Some high school counselor will help you pick your classes while others prefer to have me help. Either is OK. Have the counselor sign a registration form.
2. Explore the quarterly schedule for classes that might interest you.

How to use schedule Planner
3. Make an appointment for registration with the Running Start Advisor **360-538-4099**. The first appointment takes about an hour ("Entry Advising"). You will meet with the Running Start Advisor quarterly; these subsequent appointments will take about a half hour or less.
4. Take your signed registration sheet to Admissions & Records and receive your official schedule of classes.
5. Take your schedule with photo I.D. to Book store for your GHC I.D.
6. Buy your books 2-3 weeks prior to the start of classes. Book List
