

GRAYS HARBOR COLLEGE

2019-2020 Petition for Independent Status

IMPORTANT INFORMATION REGARDING THIS PETITION!

The Higher Education Act allows a financial aid administrator to override a student's dependency status and declare him/her to be independent on a case-by-case basis for certain unusual circumstances. Please note, however, that none of the conditions listed below, singly or in combination, qualify as unusual circumstances meriting a dependency override:

- Parents refuse to contribute to the student's education;
- Parents are unwilling to provide information on the FAFSA or for verification;
- Parents do not claim the student as a dependent for income tax purposes;
- Student demonstrates total self-sufficiency.

Unusual circumstances may include an abusive family environment, abandonment by parents, homelessness or at risk of being homeless. If you feel that these circumstances apply to you complete this form and provide all of the required documentation.

Renewal of Petition for Independent Status: An approved Petition for Independent Status is granted on a yearly basis. Students with an approved petition must reapply each year.

Note: The decision of the Financial Aid Office is final and cannot be appealed. You will be notified in writing of the status of your petition in approximately three weeks.
