

Position- Program Coach

Job Description- *Teach life skills through sports as an instructor with Skyhawks!*

Skyhawks Sports Academy offers year-round programs typically consisting of camp formats in the summer and class formats in the winter, spring and fall seasons. We serve both pre-school and elementary-aged participants. Most summer camps are week-long, Monday through Friday, either half-day or full-day. Our “year-round” seasons in the winter, spring and fall consist of after-school, late-afternoon, evening and weekend class formats. We work around your school or other work schedules to create a job that is both flexible and enriching. What kind of impact are you looking to make in your next job? Share your passion for sports and teaching with Skyhawks! A Program Coach is a qualified college-aged individual or high school student with experience in athletics and working with children. The coach is the most essential part of the Skyhawks program. They work individually with the participants to teach, encourage and challenge them. Each coach must complete an extensive certification process and successfully pass a criminal background investigation.
