Near the sea that flows along
Stands our school so firm and strong.
Through the years we'll think of you
G H C, the grey and blue.
Though the years may all go by,
G H C will never die.

She will live in our memory;
She will live in our memory.
Sing her praises one and all;
Let them echo through the hall.
Alma Mater G H C,
This we sing to thee.

Dedication

To Mr. A. J. Hillier, instructor of social science and coach of debate, do we sincerely dedicate the 1955 edition of The Nautilus in appreciation for his untiring and able assistance that he has given many students at Grays Harbor College during the past twenty-four years.
Administration
Superintendent's Message

The purpose of the "Nautilus" is something more than a book depicting personages and activities of the junior college. It is a record showing how we used the resources of the college to enhance our own education and the educational level of the community. Unless we can show definite progress in our education, there is little reason for giving time and money to make a permanent record such as the yearbook will be.

The junior college stands for high standards of scholarship. It stands for service to the community, state, and nation. It expects that its activities will be on a high plane and that its students will be able to give leadership and service to the community. This year's yearbook will depict the highlights of the college year. I am sure it is a record that will lend credit to all concerned.

H. J. KRAMER
Superintendent of Schools

President's Message

I am pleased to have this opportunity to express my good wishes to the student and faculty of the college in the 1955 Nautilus.

Grays Harbor College has completed twenty-five years of service to the people of this area. I am happy to report that this Silver Anniversary Year has been marked by the college's largest enrollment. Also, the school bond issue voted by the people in November, 1954, has assured us of a new college plant. Permanent accreditation by the Northwest Association of Secondary and Higher Schools was granted during this school year.

The above facts assure me that a great future lies ahead for Grays Harbor College. I offer my best wishes to the freshmen and my congratulations to the sophomores. I hope that they have a very successful future.

I offer my sincere thanks to the annual staff for an excellent job on the 1955 Nautilus. Also, I would like to thank the faculty and students of the college for their contributions to a successful school year.

Classes
Here's a salute to the class of 1955, a tribute to the sophomores of our favorite institution of learning, who have contributed their talents to the betterment of Grays Harbor College and this community. The fun-packed student body activities were directed by the sophomores of the Student Council, who were this year's A. S. G. H. C. officers. Tyee, the all sophomore girls' service honorary was also responsible for one of the best years in G. H. C. history.

The sophomores led by Ed Frodel as president, John Betrozoff as vice-president, Eleanor Kindle as secretary, and Carolyn Sund as treasurer have participated actively and energetically in all school events, such as the interesting drama productions that are an outstanding part of Grays Harbor College.

The members of this outstanding class provided the backbone for this year's excellent choir and were also responsible for a large part of the commendable school spirit shown this year.

So hats off to the Class of 1955 and the splendid record they leave behind.

JOHN BETROZZOFF, Vice-President
ED FRODEL, President
CAROLYN SUND, Treasurer
ELEANOR KINDLE, Secretary

On September 7 and 8 the freshmen registered; they took placement tests the 7th. The election of class officers, likewise took place that month.

Then in October the frosh began a vigorous battle with the sophomores to see which class could participate the most in promoting homecoming. The freshmen actively engaged in committees and three of the five women on the homecoming court were from their class. The contest, ending with a pep rally and bonfire, was judged a draw between the two classes.

“The Heiress” was presented by the Grays Harbor College drama class in November. Six of the nine members of the cast were from the freshman class.

In December, Grays Harbor presented its first formal dance of the year. The frosh joined in the many activities which made our first big dance, “Out of This World,” a huge success.

The basketball season began in January. Chokerettes started to swing into full force, with a membership composed mostly of freshmen women. The basketball team had several frosh in starting positions; and it had a fine record at the end of the season.

The freshmen attended many activities during the month of February. A dinner dance was held at the Grays Harbor Country Club on February 5. The “Valentine Toto” was held in the Continental Room of the Morck Hotel on the 11th. The freshmen were very much in attendance at this dance. “Cinderella,” the winter play, was presented February 25 and 26. Over half the cast was composed of frosh.

On March 18, the freshman class sponsored a dance, “Final Fling,” in the Star Room of the Morck Hotel.

The debate team, including several freshmen students, won regional, state, and national honors for Grays Harbor College.

In April the entire college was booming with the intense plans for the Days of ’49 celebration. Freshmen students plunged zealously into the western theme. Beards, jeans, plaid shirts, guns, chaps, cottons, and bows were sported by the enthusiastic frosh.

The 1954-55 freshman class at Grays Harbor College will be long remembered for its enthusiastic participation in G. H. C. scholastic, sport, and social activities.

In co-operation with Aberdeen's two hospitals, Grays Harbor College affords women interested in nursing an opportunity to become licensed practical nurses. Under the supervision of Mrs. Dorothy MacNealy, R. N., these women are trained to do clinical work through actual hospital experience. While training in the hospital, these students are paid nominal wages.

Their ten-month's course includes 450 hours of academic work and 1000 hours of clinical work after which they take the State Board Examination for their license.

Student librarians employed by the college are on duty during class hours to aid the college librarian in her work. These girls shelve books, assist with cataloging, check in mail, type, keep the press book, answer students' questions, help with student research, and assist with the other jobs, too numerous to mention, that make our library one of the most essential departments of the college. The library staff, together with the library science class, prepared very interesting bulletin boards and displays which made the library a featured part of the Spring Open House.

Miss Lawrence is retiring at the end of this year after serving the college as librarian for eight years. Students and faculty wish her much happiness in future years.
Music - Speech - Drama
The purpose of the G. H. C. radio class is two-fold: it intends to familiarize students with the operation of a radio station, and it takes charge of the college publicity releases.

Each Wednesday evening, members of the class journey to radio station KXRO where they transcribe Choker Highline, the official Grays Harbor College program. Through the production of the program and under the advisership of Charles Hoonan, instructor, students are given an opportunity to learn self-confidence before a microphone. In this way, the radio class helps to develop individuals willing to accept civic responsibilities later on. The program is released on Saturday evening.

Scholastic achievements, social functions, and sports activities become resource material for the amateur script writers who learn to present news to the public in a way that they may become familiar with the well-rounded program offered by the college. This class is representative of an outstanding example of college-community co-operation.

The college choir and band under the direction of Eugene Stensager has had a very successful year.

The choir has sung at various service clubs in the surrounding area. At Christmas time they sang for the college assembly held in the Miller Auditorium.

During the spring term the choir has made several appearances at the high schools, including Hoquiam, Montesano, South Bead, Raymond, and Aberdeen.

Traveling with the choir to the high schools is the pep band. The band has been an integral part of the school activity this year. The band played at most of the basketball games adding inspiration and pep to the team and the sports fans.

Also the male quartet has appeared at various programs. The members of the quartet are Hans Lorentzen, Jim Brandt, Marshall Herron, and Arnold Roberts.

The officers of the choir are President, Ed Rosi and Secretary-Treasurer, Joan Dokter.
The drama season opened on November 12 with the production of "The Heiress" by Ruth and Augustus Goetz. For this production the Grays Harbor College Players used the arena style of staging and presented the play in the lounge of Hillier Hall.

The basic story tells of a shy and plain young girl who falls desperately in love with a delightful young fortune hunter. The girl does not realize that the young man is not drawn to her entirely by her charm, but that he knows that she has a wealthy father and has also inherited a substantial sum from her mother. Her father forbids the marriage and takes her to Europe. The girl is, on her return, still in love with the young man. She wishes to marry him and consents to elope. But he does not return to take her. The next time he appears it is the girl who has control, and she refuses to see him.
Winter Play "Cinderella"

For the winter play the Grays Harbor College Players presented "Cinderella in Loreland" by Frances Homer. There were two performances in the Miller Auditorium for the children of the community.

This is the dramatization of the familiar fairy tale with the addition of a magic cat, Ashes. It is Ashes that aids Cinderella and is her constant companion. Even when she gives him to the Prince for a birthday present, Ashes does not forget Cinderella. He leads the Prince to Cinderella's home where she tries the glass slipper and it fits so easily. The Prince and Cinderella are married and take Ashes to the Palace where they live happily ever after.

Since 1930 Grays Harbor College has gained prestige in colleges and communities throughout the United States by an active participation in forensics. The 1954-55 season is no exception. The squad received high ratings at the Seattle Pacific College, College of Puget Sound, Linfield College, St. Martin’s College, and the Washington State Junior College tournaments as well as capturing high honors at national Phi Rho Pi contest at Denver, Colorado, this spring. These students have gained valuable knowledge and speech skills, which will benefit them, under the direction and coaching of Mr. A. J. Hillier. Mr. Hillier was elected the first vice-president of Phi Rho Pi, national honorary forensics fraternity, at the annual meeting in Denver this spring.
Organizations - Activities
The affairs of Chokerville throughout the 1954-55 school year were conducted by the Executive Board of the Associated Students of Grays Harbor College. With Jake Vohs as president, Howard Scott as vice-president, Delores Sullivan as secretary, Dorothea Wagner as treasurer, and Mr. Maurice Phipps as Director of Student Affairs, the board carried out the direction of an outstanding year of student activities.

This industrious group was the promoting force behind the exceptional season of social and athletic events which provided G. H. C. with a regeneration of school spirit and an increased interest in school activities. Combining the supervision of a $12,000 student body budget with a study of parliamentary procedure, the members of the board initiated their outstanding program by presenting Grays Harbor College’s 1954 Homecoming celebration to the Harbor. An examination of subsequent council activities shows the same enthusiasm presiding at the gaily decorated Fall, Winter, and Spring Formals as well as the extremely popular dinner dance held at Grays Harbor Country Club. The three-weeks Days of ’49 celebration was a prominent example of the interest that has been created in the Western-most College in the United States by the student body.

Combine this with the leading participation in the Washington State Junior College Leaders Conferences held in Bremerton and in Wenatchee and you have the spirit and industry that characterized the 1954-55 executive board.
Members of the Associated Women Students have had a successful year of well-planned activities. One of their first projects was a get-acquainted tea held at the beginning of school for the freshmen girls to meet their faculty and classmates. From that time on, these girls busied themselves by working on bake sales, poster committees, and clean-up campaigns. A. W. S. also played a vital role in the school's observance of the Days of '49. The girls made and sold refreshments at the gala Gold Rush Revue as well as entering an interesting float in the '49er parade.

The officers are Nancy Murray, president; Delores Sullivan, vice-president; and Dorothea Wagner, secretary-treasurer. Miss Irene Campbell serves the organization as adviser.

Phi Theta Kappa

Phi Theta Kappa's record for 1954-55 shows them to be one of Grays Harbor College's most active clubs. Their efforts brought about Grays Harbor College participation in the national Phi Theta Kappa study program as well as the completion of their annual fraternity report. The local Beta Iota chapter was instrumental in bringing about a successful advertising sales campaign for the 1955 Nautilus, combining their potluck dinner dance with two cocktail parties held for honor roll students, and adding a Halloween dance as well as a float in the Days of '49 parade, we have a recipe for a successful social season under the direction of Jim Davis, president; Maureen O'Brien, vice-president; Barbara Fry and Elizabeth Armstrong, secretaries; Shirley Aurstad, treasurer; and Mr. Louis Messmer, adviser.

Tyee

Tyee, the Sophomore girls' service honorary, found 1954-55 a busy and successful year. This year Tyee was given charge of the Homecoming queen and her court. The girls planned the coronation ceremonies, decorated the platform for the court at the dance, and counted election ballots. Tyee members ushered at all college plays and at the college conferences. The group sponsored a "height-hop" after the Pacific Lutheran J. V. game and had several successful bake sales during the year. Two important events of the school year were the celebration of Tyee's eighth birthday and the initiation and dinner for new members.

Early last fall, Chokerettes held a semiformal initiation at the college lounge for its new members. Since then, this group of girls has taken charge of the concessions at the football games, has ushered for the various activities and has held bake sales at different times of the school year. Annually this organization sponsors the Valentine Tolo which was held in the Continental Room of the Morck Hotel early in February. Chairmen of this social event were Maureen O'Brien and Phyllis Klaudt whose talents brought the "Paper Valentine" theme to life. The final endeavor of this group was a float which was entered in the Days of '49 parade and was the joint effort of Chokerettes and Tyee. Altogether, this organization has lent many invaluable services to the school's functions to make them a success. President for the past year was Sharon Harrington. Adviser for the group was Mrs. Shirley Gordon.
The 1954 Homecoming celebration of G. H. C. was enlivened even more this year by the stiff competition between the Freshman and Sophomore classes to determine which class could show the most spirit and enthusiasm. Festivities began with a pep assembly in Miller Auditorium Friday morning, October 29. That evening students participated in a noise parade from Hillier Hall through Aberdeen and terminating with the traditional bonfire at Franklin Field. Saturday, October 30 at 8:00 p.m. Grays Harbor College Chokers met Lower Columbia Red Devils at Stewart Field. The highlight of the game was the half-time coronation ceremony during which the 1954 Homecoming Court was introduced and the queen crowned. After the game, faculty, students, and alumni danced to the music of the Blue Flames at Miller Auditorium. Dance decorations were done in blue and silver, the school colors. The long hours of work spent by the various committees were rewarded by the unusually good attendance at this year’s Homecoming activities.

The doors of the 1954 football season came to a close with the Grays Harbor College Chokers in a solid third place in conference standings.

Getting off to a good start, the Choker gridders downed a stubborn Yakima J. C. eleven.

With one conference win chalked up, the blue and gray eleven got their first taste of defeat from the Centralia Trailblazers. It was a hard-fought game from beginning to end, but fumbles proved the margin of victory for the Trailblazers.

When the gridiron aggregation from Chokerville trekked to Everett, they were trounced by a strong Trojan eleven, who went on to the conference championship.

With revenge in mind the GHC football team smashed a hapless Pacific Lutheran Junior Varsity squad.

Next on the Choker schedule was the powerful and highly rated Olympic Rangers. The contest ended in a tie.

Before a capacity homecoming crowd the Red Devils from Lower Columbia, a highly rated football machine, came out on the short end. This victory boosted GHC's record in homecoming tilts to six wins and two losses.

The season finally came to an end for new coaches, Chace Anderson and Varney Corey, and the "54" version of the Choker football squad when they traveled to Wenatchee.

Honored on the first team all-conference was Paul Teagle, tackle. Cal Waterhouse, guard, and Jim Briscoe, end, made the second team. Gary Sandland and Inky Charley made honorable mention.
Grays Harbor College this year came up with one of the best teams ever seen on Grays Harbor. The Chokers started out slow. At one time their league record was two wins and three losses. By the end of the season the blue and gray developed the best team in the league but as a result of their slow start and an early season heartbreaking loss to Clark, the Chokers played some very outstanding and heart stopping basketball during the 1954-55 season. The fine defensive play in beating the Washington Frosh, their race horse game in losing to Seattle U. Frosh, the great team play in thumping the Portland U. Frosh, the last second shot which brought Everett J. C. down to defeat, the great comeback after being behind by seventeen points with nine minutes to go, to defeat Olympic, and the determination shown in defeating Clark.
