Date adopted: 4/12

Prior Learning is the knowledge and skills gained through work and life experience; through military training and experience; and through formal and informal education and training at in-state and out-of-state institutions including foreign institutions. Prior Learning Assessment (PLA) enables individuals to earn credit and recognition for these skills and knowledge. Grays Harbor College may award credit for Prior Learning through examination, evaluation of certification/training, or submission of portfolio or other form of assessment.
