In order to provide adequate security for social functions sponsored by students the Vice President for Student Services or Director of Safety and Security may require the following:

- A. The hiring of at least one police officer with arrest authority who will be in attendance at the function until the end of the event.
- B. Payment to the police officer(s) will be made by the sponsoring organization.
- C. The club advisor and at least one other College official will be in attendance throughout the event.
  - For events with an expected attendance in excess of 100, an additional College employee is required for every 50 expected participants.
