Operational Policy Number: 405

Date adopted: 5/23/76

Revised: 11/81, 1/18/94, 4/21/97. 4/18/06

Through its scholastic standards policies, Grays Harbor College encourages students to assume responsibility for their own academic progress. As such, policies will reflect the belief that, by functioning as self-directed learners, students can gain the greatest possible satisfaction and benefit from their college experience.

Grays Harbor College will adopt guidelines to insure that procedures are developed for scholastic standards consistent with college and legislative intent.

The vice president for student services shall develop and maintain appropriate intervention strategies to assist students on Low Scholarship to improve their performance.
