It is the policy of Grays Harbor College Board of Trustees that the facilities and services of Grays Harbor College will be provided for the use of the citizens of the college district without regard to age, race, color, religion, sex, national origin, or handicap.

The first priority for the use of college facilities shall be the regular college program; however, after this need is met, it is the intention to encourage widespread use of school facilities subject to the laws of the State of Washington and regulations prescribed in GHC Administrative Procedure 516.01.
