

Chemical Dependency (Human Services), Certificate of Completion

Program Length

This program is designed to be completed in **18 months**.

Program Cost

This program will cost **\$7,884 (In-State Tuition & Fees) plus \$1,600 (Books & Supplies)** if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Typical Student Debt

Fewer than 10 students completed this certificate program within normal time in 2017-18. This number has been withheld to preserve the confidentiality of the students.

Licensing Requirements

Program qualifies students to sit for licensure exam in the following States: WA

Note: This certificate is for individuals that already have an Associates (or higher) degree in Human Services. It prepares them to apply for a Chemical Dependency Professional certification in the state of WA. See [Chemical Dependency Professional at Washington Department of Health](#) for information.

While coursework prepares you for the exam, you must also complete 2500 hours as a CDPT (trainee) before sitting for the exam.
