The Nursing Department manages a competitive selection process. Students apply to the nursing program and compete with other applicants for a slot in the program based on a point system (see below). No student is guaranteed admission into the program. Nursing program applications are available starting January 1st, and qualified applicants must apply by June 1st. Applications received after the deadline will not be accepted.

[Applications are available online](#) and in the Nursing Department.

Each of the prerequisite requirements must be completed with a minimum grade of “C” (2.0) prior to consideration for selection. All applicants who have successfully completed all prerequisite requirements by the conclusion of spring quarter will be considered. ATI TEAS exam results must be received no later than June 30th to be used in the selection process. Contact the testing center for testing information at 538-4049. Register at www.atitesting.com for the TEAS exam prior to testing dates.
