The president brought up that we have had fundraisers for a membership scholarship so we need to start thinking of implementing guidelines to give out the scholarships and that this will be taking up most of our Spring meetings. The executive board had decided to have a bylaws meeting early in the spring quarter to discuss changes we may want in our bylaws. This must be advertised a couple of weeks

ahead of time. Date has not yet been set. To determine meetings for next quarter we need to bring our schedule for spring quarter to next meeting. Budget for the new year is due on April 21 at 4:30 p.m. The Student Life Advisor received an email from Deanna about the Golden Opportunity Scholarship, which is an international membership scholarship, that we need to discuss nominations for.
