COVID-19 Vaccine Exemption – Religious Accommodation Form

09/13/2021

This form incorporates the requirements for Proclamation 20-12.5: Higher Education, which removed the philosophical exemption option for students. Consistent with the proclamation, Grays Harbor College is a fully vaccinated campus and is implementing a policy requiring all of its students who participate in or attend courses, operations, or other activities in person to be fully vaccinated against COVID-19, subject to any medical exemptions required by law and any religious exemptions.

INSTRUCTIONS FOR STUDENT

By October 4, 2021, all students seeking an exemption must select the medical or religious exemption option in the student attestation form. Students seeking a religious exemption may also contact vpsoffice@ghc.edu directly.

By November 5, 2021, in order to grant a reasonable accommodation to a student to remain unvaccinated, Grays Harbor College must receive information or documentation that confirms that the student has a sincerely held religious belief that prevents them from receiving the COVID-19 vaccine. The religious exemption must be based on a sincerely held religious belief system that is comprehensive in nature, including both theistic beliefs and non-theistic moral or ethical beliefs as to what is right and wrong which are sincerely held with the strength of traditional religious views. Social, political, or economic philosophies, as well as mere personal preferences, are not religious beliefs; however, overlap between a religious and political view does not place it outside the scope of the exemption.

Please upload this form or provide your information in person by contacting vpsoffice@ghc.edu to schedule a 30-minute meeting. Please complete this form as soon as possible as we may need additional, clarifying information. Review and processing may require 1-2 weeks. If you have any questions, please do not hesitate to contact vpsoffice@ghc.edu.
