In order to productively engage with equity, diversity and inclusion (EDI) issues, it is important to have a shared understanding of the language that we use. The Diversity Advisory Committee developed a glossary of Diversity Definitions during the 2021 academic year. To access this glossary, please visit <https://www.ghc.edu/edi/diversity-definitions>.

General statistics about the college, including the Fast Facts 1-pager, can be found at <https://www.ghc.edu/facts-and-statistics>.

Additional information is available to college employees on the IECR intranet page at <https://intranet.ghc.edu/departments/iecr>.

Transfer and Graduation Rates

Student Right to Know

Student Right to Know (SRTK) refers to a Federally-mandated public disclosure of a college's Completion Rate and Transfer-Out Rate. The intent of SRTK is to provide to the consumer a statistic of comparable effectiveness that they can use when choosing a college. All colleges nationwide are effectively required to participate in the disclosure of rates.

SRTK is a cohort study. For each fall term, the college identifies degree-seeking, first-time freshmen who are enrolled full-time. These students become the first-time, full-time, degree-seeking cohort for that year, and their outcomes are measured over a period of time.

In compliance with the Student Right to Know and Campus Security Act of 1990, Grays Harbor College makes its completion and transfer rates available to all current and prospective students on its website at <https://www.ghc.edu/about/transfer-and-graduation-rates>.

Report Metrics

Metrics in the report include:

Graduation/Completion Rate – The individual student completed a degree or certificate from GHC within 150% of normal completion time. (For a 2-year degree, 150% of time is 3 years.)

Transfer-Out Rate – The individual student left GHC and transferred to a different school, but did not complete a degree or certificate with GHC.

Retention Rate – The individual student re-enrolled or completed their program by the following fall.

Employment Rate – The individual student completed a degree or certificate at GHC, and was employed within 4 years of their first quarter at GHC.

All percentage values have been rounded to the nearest integer. This may result in certain rows rounding to slightly more or less than 100%.

Notes and Definitions

Completion, Transfer-Out, & Retention

This report includes a relatively small number of students who are new to college and enroll for the first time in fall quarter for the purpose of earning a degree or certificate. The graduation rate accounts for students who finish within 150% of "normal" completion time.

What is 150% of time?

If a degree is supposed to take 2 years to complete (i.e., most associate degrees,) 2 years is 100% of time. For a 2-year degree, 150% of time would be 3 years. (For a 4-year degree, 100% of time is 4 years, so 150% of time is 6 years.) The "150% of time" measure is used because life happens. Circumstances may arise where a student needs to attend part time for a quarter or two, or even take a quarter off. 150% of time makes allowance for that!

Why is gender limited to male/female?

Student Right to Know information is based on IPEDS which currently only allows a binary male/female option for gender.

Hidden Information

To protect personally identifiable information, rates have been suppressed for groups containing 5 or fewer individuals. These entries are marked with a double asterisk (**). If there is no data for a year, the cell will contain a hyphen/minus sign (-).

Data Sources

Data for graduation, transfer-out, and retention rates comes from the College Navigator and Graduation Rates IPEDS report submitted to IPEDS. Athletics information is based on the IPEDS cohort, combined with internal data from GHC's local database and the Washington State Board for Community and Technical Colleges (WA SBCTC) Data Warehouse.

Data for Employment Rate calculations comes from the First Time Entering Cohort data provided by the WA SBCTC. Data includes students who were designated First Time Ever in College and First Time at GHC and completed their program. The Academic Year indicates the first year the student enrolled in a degree or certificate awarding program at GHC.
