Enter below courses from the distribution requirement section that will be used for specified electives or courses that transferred from another college as specified electives but did not have a GHC equivalent.

Course	Cr.

General Electives (15 credits maximum)

Include: any distribution course, and/or any specified electives, and/or any other college-level course numbered 100 or higher. Although not all courses may transfer independently, they may be acceptable as part of Grays Harbor College's transfer arrangements at four-year institutions. They may constitute however, no more than fifteen credits in any degree program.

Note: No more than 3 PE credits may count as general electives.
