

Your 2026-27 FAFSA was selected for review in a process called *verification*. Federal Regulations states that before awarding Federal Student Aid, we must ask you to confirm the information you reported on your FAFSA. In this process, the Financial Aid Office will compare your FAFSA with the information on this worksheet and any other required documents. If there are differences, we may need to correct your FAFSA. You must complete and sign this worksheet, attach required documents and submit them to the Financial Aid Office in order to be considered for financial aid funding. Additional information may be required by the Financial Aid Office.
